

SAHEDUZZAMAN SOBUJ

FRONT-END DEVELOPER

WHY SHOULD YOU HIRE ME?

- I work hard , learn from my mistakes, obey commands.
- A team player, can maintain good relationships with colleagues & superior.
- Can work under high pressure.
- As a self taught programmer, I have high patience & good Searching skills because I had to find every solution of my problem by turning google ,geeks for geeks etc websites upside down.
- As a competitive programmer, I have a good problem solving skill.
